TAMIL NADU BAKERS FEDERATION – INDIA is proud to announce the 7th Edition of the INDIA BAKERY EXPO, scheduled to take place from 18th to 20th September 2026 at the Chennai Trade Centre, New Building Ground Floor, Nandambakkam, Chennai.

This prestigious event will serve as a dynamic and exclusive platform for the bakery industry in South India. Designed as a B2B Trade Fair, the India Bakery Expo is poised to return stronger, larger, and more impactful than ever before. It promises to be a comprehensive hub, offering valuable exposure and opportunities in a rapidly evolving bakery landscape.

THE EXPO AIMS

- Promote new product launches, innovative technologies, bakery equipment, ingredients, and accessories.
- Act as a sourcing and networking platform for the latest industry trends and market demands.
- Strengthen linkages between the bakery and food processing sectors.
- Showcase cutting-edge developments in bakery techniques, tools, and practices.
- Disseminate knowledge about best practices in the bakery sector.
- Inspire and encourage the younger generation to explore entrepreneurship and careers in the baking industry.
- Emphasize the importance of the bakery industry as a standalone and vital sector, garnering attention and support from the Government, Media, and Society.

Join us in celebrating the growth, innovation, and potential of South India's vibrant bakery industry at this landmark event.

EVENT HIGHLIGHTS

VISITOR

TAMIL NADU BAKERS FEDERATION (TNBF) is an organization actively run by professionals in the baking industry. TNBF's main aim is to promote the baking industry by sharing technical and trade knowledge amongst its members. Additionally, TNBF also acts as a liaison with various organizations involved in food processing, both governmental and private, located in India and abroad.

TNBF has worked with several organizations and trade bodies such as:

- Ministry of Food Processing
- U.S. Wheat Associates
- American Soybean Association

- CFTRI
- Wheat Millers Associations
- US Blueberry Council

These collaborations help in conducting, organizing and co-sponsoring technical seminars, lectures, training programs, trade shows and practical demonstrations.

TNBF also works closely with the Society of Indian Bakers, IBF and other national bodies in partnering with vendors such as ingredient suppliers and machinery manufacturers located all over the world. These partnerships enable mutually beneficial arrangements to share technical knowledge with bakeries in India.
